MEMORANDUM FOR: Chief, Product Review Division, ICS

SUBJECT : Response to General Faurer's Letter on Contractor Access to CIA CONTROLLED DISSEM and WARNING NOTICE Publications

25X1 1. [redacted] has tasked PRD to reply to the Faurer letter, which is essentially an appeal from a previous adverse ruling by the DDI.

25X1 2. Note [redacted] note to me on [redacted] 25X1 memo of 25 June (attached):

"Please task PRD with action in concert with DDI/CIA, and prepare proper response."

25X1 3. I note your handwritten memo to [redacted] 25X1 to the effect that [redacted] cannot handle this project now, but would be happy to advise whoever has action. Perhaps Tom can help out whoever in PRD you assign this to.

4. In view of General Wilson's continuing interest in the warning problem, I suggest you invite his attention to this project following his return.
